To this end, the FHLBC promotes inclusiveness and equity in its policies, practices, and business relationships; proactively recruits candidates from a diverse and talented applicant pool; and reinforces the value of a diverse workforce and diversity and equity in contracting through education and training. The Office of Diversity, Equity & Inclusion, in conjunction with all FHLBC departments, has overall responsibility for implementation of our equal opportunity policy and diversity, equity and inclusion for employment and contracting. Appropriate reviews will be conducted periodically to ensure policy success.
