Introduction

General Description

Community Support Program and Online Community Support Statement

The Federal Home Loan Bank Act [12 U.S.C. § 1430(g)] requires the Federal Housing Finance Agency (FHFA) to establish a Community Support Program for members of the Federal Home Loan Banks (FHLBanks). FHFA has established a Community Support Program with regulations [12 C.F.R. part 1290] that set forth standards of community investment or service for members of FHLBanks to maintain continued access to long-term advances and to community investment products (i.e. Affordable Housing Program (AHP), and other Community Investment Cash Advances (CICA) programs). In addition, the regulation sets forth the process that FHFA follows in reviewing, evaluating and communicating each member's Community Support performance.

The Community Support Program considers the member's performance under the Community Reinvestment Act of 1977 (CRA) and the member's record of lending to first-time homebuyers. With certain limited exceptions, each FHLBank member must meet the CRA standards and the first-time homebuyer support standards set forth in the Community Support Program regulation. The Community Support Program requires FHLBank members to submit a Community Support Statement to FHFA once every two years (i.e. 2017, 2019, 2021 etc.) The Community Support Statement serves to document a FHLBank member's CRA performance and support of first-time homebuyers. A FHLBank member must provide to FHFA: 1) its CRA rating, if it is subject to the CRA; and 2) information about its support for first-time homebuyers.

The online Community Support Statement must be completed and submitted by an appropriate senior officer of a FHLBank member institution. The statement also requires information about the FHLBank member's senior officer (name, work title and work email); the institution's federal CRA rating, if applicable; and the institution's lending volume or other activities or investments supporting first-time homebuyers.

FHLBank members should use this online system to submit their Community Support Statements to FHFA. FHFA will review each member's Community Support Statement to determine if a FHLBank member meets Community Support Program standards. FHFA will send each member's Community Support Statement's review result to its designated FHLBank. Each FHLBank will notify its members of their Community Support Statement review results.

Community Support Program

The Federal Home Loan Bank Act (12 U.S.C. § 1.1002) requires the Federal Housing Finance Agency (FHFA) to establish a Community Support Program for members of the Federal Home Loan Banks (FHLBanks). FHFA has established a Community Support Program with regulations that set forth standards of community development or service for members of FHLBanks to maintain continued access to long-term advances. For purposes of the Community Support Program, the term “long-term advances” means advances with a term to maturity greater than one year. A FHLBank’s performance under the Community Support Program can also affect a member’s ability to continue participation in the Affordable Housing Program (AHP) and other Community Development Loan Programs (CDLPs).

The Community Support Program considers the member’s performance under the Community Reinvestment Act of 1977 (CRA) and the member’s record of lending to first-time homebuyers. With certain limited exceptions, each FHLBank member must meet the CRA standards and the first-time homebuyer support standards set forth in the Community Support Program regulations (12 C.F.R. part 1220).

The Community Support Program regulations set forth the process the FHFA follows in reviewing, evaluating and communicating each member’s Community Support performance.

Community Support Statement

The Community Support Program requires FHLBank members to submit a Community Support Statement to FHFA once every two years. The Community Support Statement serves to document a FHLBank member’s CRA performance and support of first-time homebuyers. A FHLBank member must provide to FHFA, 1) its CRA rating, if it is subject to the CRA, and 2) information about its support for first-time homebuyers.

FHLBank members must submit their Community Support Statement to FHFA by **December 31, 2017**.

The Community Support Statement form should be submitted using this online system.

If you require assistance to complete the form, this website provides a link to instructions for completing the Community Support Statement and to a list of FHLBank Community Support Program representatives.

Review Results and Notifications

After your Community Support Statement has been validated, FHFA will review the Community Support Statement to determine if FHLBank members meet Community Support Program standards. Your FHLBank's Community Support Program representative will notify you of your Community Support Statement review results. There are three types of Community Support Statement review results: Compliance, Probation, and Restriction. If you have any questions about your results, contact your FHLBank's Community Support Program representative.

Results	Community Support Program Requirements	Action
Compliance	Member institution is in compliance with the requirements of FHFA's Community Support Program regulation.	Member maintains access to FHLBank's long-term advances, and may participate in ASP and other CCA programs.
Probation	Members are placed on probation if: <ul style="list-style-type: none"> its most recent CRA rating was "Needs to Improve", and either the member has not received any other CRA rating or its second-most recent CRA rating was "Outstanding" or "Satisfactory". 	If a member is placed on probation, the member may continue to obtain long-term FHLBank advances and access to ASP and CCA programs during the probationary period. The probationary period runs until the member's next CRA rating.
Restriction	Member institution is placed on restriction if: <ul style="list-style-type: none"> it does not submit a Community Support Statement; it has not demonstrated compliance with the first-time borrower standards; its most recent CRA rating was "Substantial Noncompliance"; its most recent CRA rating was "Needs to Improve", and its second-most recent CRA rating was "Needs to Improve"; or its most recent CRA rating was "Needs to Improve", its second-most recent CRA rating was "Substantial Noncompliance", and its third-most recent CRA rating was "Needs to Improve" or "Substantial Noncompliance". 	If a member is placed on restriction, the member is unable to obtain long-term FHLBank advances, and to participate in ASP and other CCA programs, until it meets the requirements for community support.

Instructions

To assist with Community Support Program questions, information and completion, contact your FHLBank's Community Support Program representative (FHLBank Community Support Representative). Your FHLBank's representative will also send to your institution a FHLBank Member Identification Number. This identification number will be required to complete the Community Support Statement.

Instructions

Part I: Community Reinvestment Act (CRA) Standard:
Members subject to the federal CRA must complete this part. Provide your institution's most recent federal CRA rating and the year of the rating. Credit unions and insurance companies, which are not subject to the federal CRA, should indicate "Not Subject to" in the CRA rating field on this Community Support Statement. If your institution is not a credit union or insurance company and is not subject to the federal CRA, indicate the reason for the exemption.

If a member's most recent federal CRA rating is "Needs to Improve," FHFA will place the FHLBank member on probation. During the probationary period, the member will retain access to long-term FHLBank advances and FHLBank ADP and CICA programs. If the member does not receive an improved federal CRA rating at its next CRA evaluation, FHFA will restrict its prospective access to long-term FHLBank advances and FHLBank ADP and CICA programs. If a member's most recent federal CRA rating is "Substantial Non-compliance," FHFA will restrict the member's prospective access to long-term FHLBank advances and ADP and CICA programs. The restriction will remain in effect until the member's federal CRA rating improves.

Part II: First-time Homebuyer Standard:
All members, except those with "Outstanding" federal CRA ratings, must complete this part. A member may satisfy the first-time homebuyer standard either by: demonstrating leading performance to first-time homebuyers (Section A), or demonstrating other financial support or participation in programs, products, services or investments, that directly or indirectly assist first-time homebuyers (Section B), or by a combination of both factors. If none of the information requested in this part describes your institution's activities to support first-time homebuyers, you may attach a brief description of other activities of your institution that support first-time homebuyers, or a brief explanation of any marketing factors that adversely affect your institution's ability to assist first-time homebuyers, such as location or operational limitations or market conditions.

If a member does not demonstrate assistance to first-time homebuyers or include an explanation of mitigating factors on this Community Support Statement, FHFA will restrict the member's prospective access to long-term FHLBank advances and FHLBank ADP and CICA programs. The restriction will remain in effect until the member submits applicable information to FHFA that demonstrates the member's compliance with the first-time homebuyer standard.

Part III: Confidentiality and Review:
All members must complete this section. A senior official of your institution with authorization to provide the information in this Community Support Statement must certify that the information in this Community Support Statement and any attachments are accurate to the best of his/her knowledge.
